**Member Feedback**

Why are you joining CAN Canada?  
*(select all that apply)*

- To add my/our voice to the calls for stronger, more effective government action to slow climate change.
- To network, to become better-connected to others working on climate change issues in Canada.
- For timely information on climate change

issues and events.

For opportunities to participate in government consultations and UNFCCC negotiations under the CAN Canada banner.

Through CAN Canada's website, to spread the word about my organization and what we do.
